Healthy Eating

Vitamins

All under 5's should be taking daily vitamin supplements to ensure children obtain an adequate quantity of Vitamin D and therefore health advisors recommend Abidec or Dalivit daily supplements.

If you have any concerns about your child's weight, nutrition or eating habits then please speak to your child's key person who can direct you to appropriate support through a health visitor or GP.

How can you help your child?

Please can you encourage your child to:

- ❖ Encourage your child to self-serve their meals at home to develop independence.
- ❖ Use a potty/toilet at home if your child is potty toilet training.
- ❖ Plan some outings to your local library to allow your children to experience a large variety of books.
- ❖ Encourage mark making at home and please feel free to share this artwork with Day care.

Reminders:

- ❖ Please provide the appropriate clothing for the changeable weather this season. Clothing and footwear appropriate for sun and rain.
- ❖ Please notify us of any changes or achievements at home.
- ❖ Please update us of any past or planned Health Visitor reviews or Immunisations that your child has had since their admission to Day Care, so that we can keep our records up to date.
- ❖ Please remember we have a parent suggestion box so feel free to put any suggestions in.
