

Attention parents!

Give your child the best start.

Did you know that around 40% of 2 year olds qualify for up to 15 hours of free childcare each week?

The free childcare can be used in a nursery, pre-school or with a childminder.

You will be eligible if:

- your family is on a lower income and in receipt of one of the qualifying benefits; or
- your child receives Disability Living Allowance; or
- your child has a current statement of special educational need or an Education, Health and Care plan; or
- your child has left care through special guardianship, an adoption or residence order.

Children can start from the term after their 2nd birthday.
